- The Club treasury account has approximately \$3300 in it.
- The Rumbler had 200 hard-copies printed for March, with just under ~~24000~~ going out by e-mail, including Internationally to people in England.
- The Club website counter shows 8,422 looks as of today, April 12th.
- The planned mini-black top trip to the Good Guys Event in Lincoln, Nebraska is underway, don't forget to contact Skovy if you're going (the Rally In The Valley at Valley City and Back to the 50's in St. Paul are the same week-end).
- It's almost time to pick the annual Ship-At-Sea Cruise for next February. We'll have to choose an itinerary in April or May. Let Skovy know if interested, so he can let you know when we have our Cruise discussion meeting (s).
- Did Tom R. find anything out yet about the "Adopt a Highway" program????????????????????
- The July Black Top Tour was discussed and by the next meeting all the details should be available, as several of us are going on a dry run to get this planned. The Casino we'll be staying at is a "DRY Casino" and has "NO POOL".
- Other week-end summer cruises were discussed, such as a pot luck picnic cruise to Little Yellowstone, etc. We need to try and set dates and itineraries.

- Super Chevy Sunday, Denver, to be held in August was discussed. Again let Skovy know if interested. We're flying, it's about \$220 round trip from Jamestown, fly out Friday and back on Sunday, so we should think about getting tickets now and usually we can find a hotel with amenities with-in 1 to 3 miles of Vandemere Dragways. That's August 18-20.
- Our "Summer Season" will be kicking off with our 40's dance on the Friday evening the 28th of April, more on that after the minutes.

- Skovy talked about the possibility of doing something, weekend cruise-wise with the Aberdeen, SD club.
- Devil's Run was discussed if anyone was going.
- Tom Ravelly brought up the "Cars & Coffee" events that are being held this year on Sundays in Fargo, to replace "Cruisin' Broadway".
- Skovy brought up that he's having new Club Caps and more shirts (women's included) done up and the next 3 Club Jackets that several members will be in voting contention for to receive at this year's Christmas party.

- **Richard Rollins also let Skovy know we're always welcome down again to his shop, just let him know, so he can maybe be there this time.**
