

JAMES VALLEY STREET MACHINES

MEETING MINUTES 8-9-2017

- Meeting was called to order by President Steve Jaskoviak at 7:20 pm and held at "Skovy's Toybox".
- First agenda was that the Rumbler was not going to be printed every month, but on a bi or even tri monthly schedule due to less cash paying advertisers and time needed to do a monthly issue, however, a bright note was that some of the old and some new advertisers were picked up and paid.
- Club treasury has \$2800.00 in it, and once again it's stressed that that money (from des, etc.) isnot being used for the Rumbler nor for food at our "On Mill Hill" outtings.
- The club Christmas Party will again be held at the KC's Hall (approxiamate date Wednesday, Dec. 6th????).
- The Club will be presenting 3 more Club Jackets this year at the Christmas Party, so we have to narrow it down among the deserving members as to who will be getting them. Brain Kamletz is one and the next meeting Skovy should have a list of the others who qualify.
- The 60 Foot Experience Drag Races is set and on schedule and should go on without a hitch!?!?!? Thanks to all the members who are helping out and to Dale Redinger for the use of his property and prize money donation. Most of the meeting was spent discussing the upcoming race going over rules and such.
- September 23 is our annual Car show in conjunction with Wilhelm's benefiting the Huntingtons Foundation. It's noteworthy that every member should try to attend and bring a car to the show so we have a great turnout. There will be no motorcycle class this year due to Stutsman Harley's lack of interest and participation.
- The up coming Amtrak trip to Portland. Or to Graveyard Carz was brought up again from the last meeting. Contact Skovy or Craig for the particulars.
- Meeting was concluded at 7:50.
- ROLL CALL: (8 members - Steve Jaskoviak, Craig Gaier, Don Gumke, Dale Redinger, Brian Kamlitz, Tom Ravely, Paul Bensch, Justin Fuchs.)????
